MOBI-WATER

PRODUCT FEATURED

Mobi-Flow
Billing

PRODUCT OVERVIEW

The Mobi-Flow smart billing meters are an excellent solution which allows full automated water consumption billing and assured payment collection every month.

Once installed, the meter uploads daily water consumption data and at the end of the month, an automated invoice will be sent to the tenant. If the invoiced payment is not settled, the meter will remotely cut off water flow. Once payment is made, the meter will remotely open and the tenant will access water flow again.

FEATURES

- Allows remote shut-off capability to cut off water flow.
- Fully battery-powered with a 4 Year battery life; no external power supply or cabling.
- Water consumption data is updated once-per-day

AREAS OF APPLICATION

- Property management water billing.
- Remote water monitoring in locations with no external power source.

TECHNICAL SPECIFICATIONS

Power Supply	3.6VDC
Battery Capacity, Type	8500mAh
Communication Module	GSM / GPRS
Uploading Frequency	Once per Day
Protection Level	IP 68
Water Meter Specifications	ISO-4064, Class B
